Subject: We Had a Fantastic 25th Anniversary Celebration!

From: First Place for Youth <info@firstplaceforyouth.org>

Date: 5/19/2023, 2:59 PM

To: Mitch O'Farrell <david.cano@lacity.org>

Dear Mitch,

We were so excited to celebrate our 25th Anniversary in Oakland at Bloc15 on Wednesday! We had an amazing evening, joined by almost **300 guests and raising nearly \$650,000** for First Place for Youth. It was an incredible celebration filled with energy brought by the fantastic **Franco Finn**, our superstar emcee and auctioneer, and the sensational decor provided by **Kathleen Deery Design**.

Most importantly, we had an opportunity to hear from our inspirational program participants and alumni speakers who spoke about the positive impact that First Place had on their path to success.

I was so appreciative to have **Amy Lemley and Deanne Pearn** present the Founders' Award to long-time supporters and Board Members, **Jen Mathews Friedman and Darryl Glass (left)**. It was a moment to acknowledge how far First Place has come since its founding days in 1998 and the incredible community it took to get us here.

Cathia Lan, program alumni, remarked, "Foster youth need a community to rely on, a village to lean on, and a support system that steers us in the right direction. **That is precisely what First Place provided me with during my college years.**"

With you as a part of our village, we will continue providing the resources, guidance, and opportunities that our young adults need to overcome systemic barriers and unlock their full potential. Because of believers like you, we can make a lasting difference in the lives of these young people. **Together, we are making more possible.**

With gratitude,

Thomas Lee

Jeff,

I wanted to reach out regarding our development project in Traci Park's district. I know Michael reached out to you about extending the entitlement for the project. We would love to set up a meeting to come and discuss the project with you.

As an aside you have been helping us with our Matu project on San Vicente. I am partners with Jerry Greenberg. Thanks for your help with the city.

So happy Traci is the council member in our district.

Best
